

REMARKS

Claims 1-20 remain pending in this application.

In the outstanding Office Action, claims 1-20 were rejected under the judicially created doctrine of obviousness-type double patenting over U.S. Patent No. 6,709,217. In response to the double patenting rejection, and without admitting the propriety of the rejection, the assignee, CleanCut Technologies Limited and Inbulk Technologies Limited, are filing herewith a terminal disclaimer over U.S. Patent No. 6,709,217.

In view of the foregoing, reconsideration and allowance of this application are earnestly solicited.

Respectfully submitted,

JONES DAY
